SUPPLEMENTAL AMENDMENT

25 Sir:

This Supplemental Amendment is provided in response to the Notice of Non-compliant response in the above-named application dated May 3, 2003. The response of April 27, 2004 was found to be non-compliant because the Amendment did not provide a proper status identifier for each of the Claims. Applicant has amended the status identifier of

30 cancelled Claim 2 to "Cancelled." Claims 17 and 38 had been previously amended,

Serial No: 09/521,709

therefore their status identifiers were changed from "Currently amended" to "Previously amended."

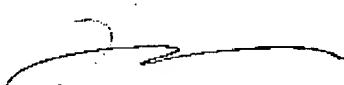

CONCLUSION

5

In view of the above, the application is deemed to be in allowable condition. Therefore, the Examiner is earnestly requested to withdraw all rejections and allow the application to pass to issue as a U. S. Patent. Should the Examiner have any questions related to the application, he is urged to contact applicant's attorney at the telephone number
10 given below.

Respectfully submitted,
